

3rd – 5th grade parents

January 28, 2024

Dear Parents of 3rd – 5th grade students,

We will be starting a unit in music on Recorders. Several students have stated that they already have a recorder at home. For those of you who do not, I do have NEW recorders available. If you need a recorder, the cost will be \$5.00.

I am excited to start this unit with the kids!

If you have any questions, please give me a call.

Mrs. Susan Quick
