Field Day

Thank-you to all of the parents that helped out with Field Day!!!

8th Grade/Kindergarten Graduation

This Sunday, May 13th at the 9:00 a.m. church service at St. Paul Lutheran Church we will be recognizing our 8th and Kindergarten students for their graduation this year. The St. Paul School Choir will also be singing this Sunday. Immediately following the worship service will be a card shower on behalf of Mr. Rosenthal and Ms. Scherer and their ministry at St. Paul Lutheran School over the past years.

Please mark your calendar for this special date!

All children should arrive in the church basement at 8:45 a.m.

The Kindergarten/8th grade students will process in at the beginning of the service and remain seated at the front of the church during the service.

The 1st-7th grade students will be dismissed to sit with their parents after their opening song.

Yearbook Photographs Needed

A small group of volunteers will be putting together a yearbook from this past school year over the summer months. We are in need of any pictures that you may have taken this year from field trips, class parties, National Lutheran Schools Week, etc. Please send your pictures to stpaulschool@q.com or bring them into the front office for us to scan. You will get your photographs back :)

Order forms for the 2011-2012 Yearbooks are due now! Cost is \$6.75 per yearbook orders.

Attention Cheerleaders!

Please return your cheerleading tops and skirts to the front office ASAP. You may keep the rest of your outfit. It has also come to our attention that the cheerleaders were given the option of purchasing their entire uniform at the end of the year. If your daughter would like to purchase their cheerleading uniform, the cost is: \$40.00. Checks can be made payable to St. Paul Lutheran School. If your daughter has already turned in their uniform and would now like to purchase it, we can get it for her :)

We are also looking for a cheerleading/dance coach for next year, please let us know if you are interested or know of anyone else that may be. We would love to see the program continue next school year.
