Dear Parents,

Our school is starting a LIFE Runners Chapter. You don't have to be a runner to join so everyone is welcome...students and parents! Dr. Pat Castle started life Runners. He currently lives in Papillion, NE and recently came to speak in West Point. You can read more about this Faith-filled, God-loving man online. Since he started LIFE Runners, the organization has grown to 11,000+ life runners. As a school, lets make LIFE Runners even bigger! The first 25 students to sign up will get a jersey!!

Here's information about what Life Runners is all about:

- Mission: Prayer and teamwork to cross the finish line that ends abortion.
- Values: Keep the Faith. Respect Life from Conception to Natural Death. Run so as to Win.
- Team: Teammates ages .1 to 101 in all 50 sates and 38 nations. Running optional. Jersey required.

As a school chapter, we would do the following (if/when able):

- Wear jersey (#remembertheunborn T-shirt) the first Wednesday of every month
- Meet that first Wednesday of the month before school to pray the LIFE Runners Creed
- Spread the message of LIFE Runners on social media and in the community
- Register for upcoming A-Cross America Relay (can be done locally)

We would love to welcome you to our team! If you are interested in signing up, please let Miss Muench or Becca Weborg know and we will help sign up your student. Note: student will need an email account to sign up. We will gladly help with this step too if they don't have an active email.
