Please help us keep our students and staff safe by stopping in the school office during school hours and signing in and out whenever you enter our building for any reason such as volunteering, lunch help, etc. This has been something that we apologize we have not been very strict on in the past. However, it is something that we intend to be more diligent about from now and into the future. We appreciate your understanding and help in keeping our students and staff safe!

Siblings Leaving early for events: If you would like your child to leave early with a sibling for an event please either call the office with your verbal permission or send in a written note, signed by you, requesting their release. For the safety of your child, we can not accept another sibling's word as permission. We appreciate your understanding and help in keeping your child safe.

We are looking for a Volunteer for a few hours each day to work with students in the 6th-8th grade classroom. Please call the school office if you are interested.
