St. Paul Lutheran School
Covid Basketball Procedures
2020-2021

**These procedures are fluid depending on current health measures.
UPDATED 1/6/2021**

1. During warm ups in between games, the AD, coaches, and school staff “point person” will help clean the game ball and player bleachers.
2. Each player’s **household members are allowed to attend events as well as grandparents**. When a child is finished playing, spectators will be asked to leave unless they have another child playing the second game.
3. A “Point Person” will be assigned to each game. This will be a co-head teacher or school staff member.
4. Everyone will enter through the east front doors and exit through the south doors.
5. Occupancy will be at 50% capacity which is 160 people. This does include coaches, players, staff members, and spectators. Once 160 people have entered the event, no one else will be allowed to enter.
6. **Masks are required at all times** for participants, coaches, and spectators. Players are required to wear them while on the bench. Masks are not required while playing on court.
7. **Families must sit together**. Six feet is required between groups.
8. Yes concessions (updated 1/6/2021)
9. No locker rooms.
10. Do not attend if you are experiencing any symptoms.
There will be temperature checks at the door.
