

Hello St. Paul Parents,

The St. Paul Lutheran School leadership is requesting your feedback. Below is a QR code that will allow you to complete a survey which covers multiple aspects of the school. The questions from the survey are sourced from the National Lutheran School Accreditation (NLSA) process.

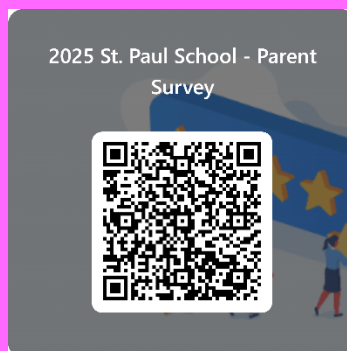

These survey questions are focused on helping us collect the information needed to help deliver a top-quality Lutheran education. The results of the survey will be used by school leadership to implement improvement actions, enabling us to better provide the education you are seeking for your child(ren).

This survey will ask over 50 questions, ranging from education quality to relationships. We understand that this is a lengthy survey, but the time you spend providing honest and transparent feedback will be invaluable as we work to continuously improve St. Paul Lutheran school.

Questions are grouped by topic. Most responses are requesting feedback back ranging from Strongly agree to Strongly disagree. At the end of each topic, a free form text field is provided to allow for feedback concerning that topic.

We ask to each family complete the survey (1) time to ensure balanced results. The results of the survey will be anonymous, with only the aggregate results being available to leadership for review.

Thanks in advance for taking the time to complete this survey; and thank you for sharing your time and talents with our organization!
