St. Paul Lutheran School Mission Statement

Our mission is in partnership with parents providing a Christ-centered education that will equip children in preschool through eighth grade to faithfully serve as witnessing Christians and productive citizens.

Parent Participation Program (PPP)

“We are thankful that God has provided a great number of dedicated volunteers for various school programs. Our programs would not be as good as they are if we didn’t have these great volunteers.”

-St. Paul Lutheran School Staff Member-

Following St. Paul Lutheran School's Mission Statement, "...to partnership with parents in providing a Christ-centered education that will equip children in preschool through eighth grade to faithfully serve as witnessing Christians and productive citizens..." we have developed the Parent Participation Program (PPP).

As a private school we rely on parent volunteers to maintain the quality educational programs that we have at St. Paul Lutheran School. For the past 136 years St. Paul Lutheran School has benefited from this mission. As we move forward into our 137th year of Christian education we need your help just as much today as we did many years ago. It is for this reason that we developed the Parent Participation Program (PPP). This program requires families to complete a certain number of hours throughout the school year or pay for the remainder of the hours not completed. Rest assured, if you are a family that volunteers regularly for activities during the school year you will not have a difficult time fulfilling these hours. The program is designed for our families to be successful in partnering with the school.

It is our heartfelt desire that you will look upon this program as a blessing. The support of all families is vital to the continued excellence of our school. The Internal Revenue Service values a professional volunteer hour at a rate of \$21.79. Needless to say, your volunteer hour is essential to the budget of St. Paul Lutheran Ministries.

Student safety is a paramount concern at St. Paul Lutheran School.

 - b. Administer first aid if needed.
 - c. Contact 911 and then notify other appropriate staff in a life-threatening situation.
 - d. Fill out the appropriate written incident report.
2. Open door policy:
 - a. When meeting with children always stay visible to at least one other adult and keep the door to the room open unless hallway noise makes that too difficult.
